

MIAMI BEACH

OFFICE OF THE CITY MANAGER

NO. LTC # 045-2007

LETTER TO COMMISSION

TO: Mayor David Dermer and Members of the City Commission

FROM: Jorge M. Gonzalez, City Manager

DATE: February 6, 2007

Subject: **EVALUATION COMMITTEE RELATED TO REQUEST FOR PROPOSALS (RFP) No. 19- 06/07 – TO PROVIDE, INSTALL AND SUPPORT AN INTEGRATED RECORDS MANAGEMENT SYSTEM (RMS), COMPUTER AIDED DISPATCH SYSTEM (CAD), FIRE RECORDS MANAGEMENT SYSTEM (FRMS), AND MOBILE COMPUTING SOLUTION, (MCS) SERVICING THE POLICE AND FIRE DEPARTMENTS, UTILIZING MOBILE DATACOMMUNICATIONS TO ACCESS DATABASES, REAL-TIME MESSAGING, AND FIELD BASED REPORTING(FBR).**

The purpose of this LTC is to update the Mayor and City Commission on a Request for Proposals (RFP) No. 19-06/07, which seeks to provide the necessary public safety technology needs and requirements as specified in the RFP.

The City is looking for replacement systems that are in "place and operating" to reflect today's industry standard technology. Proposers are expected to provide a turnkey solution for the design, implementation, training and 24/7 maintenance of the CAD/RMS/FRMS/MCS systems. These systems will utilize mobile data communications to access databases, provide real-time messaging and field based reporting.

I am considering appointing the following individuals to serve on the Evaluation Committee on the above subject.

Nelson Martinez, Systems Support Manager
Larry Bornstein, Lieutenant of Police
Javier Ortero, Fire Department Division Chief
Frank Kruszewski, Miami Beach Resident, Budget Advisory Committee
Terry Jonas, Miami Beach Resident, Systems Analyst

Proposed alternate:

Rene Rodriguez, Miami Beach Resident, GIS Consultant

I would appreciate your comments and/or suggestions by February 12, 2007.

Thank you.

c: Patricia D. Walker, Chief Financial Officer
Gus Lopez, Procurement Director
